

PERFORMANCE TECH ADVANCEMENT PROGRAM

T.A.P. INTO YOUR FULL POTENTIAL

Automotive
Industry!

CAREER OPPORTUNITY

Who can participate? Individuals *18+ motivated to learn the basic skills of an automotive maintenance technician and who have been referred by an IMPACT60 partner organization.

*If you're under 18, special permission may be granted to be in the class.

Where is the auto lab? Fairfield Career Center, 3985 Coonpath Rd, Carroll, OH 43112

When is the training? 5:30p-7:30p Mondays & Wednesdays, *July 12 to September 15
(*additional hours in the dealership and community engagement TBA)

Cost: TAP is offered at no charge to individuals who have been identified as candidates and who have the interest and determination to gain valuable skills to start in an automotive career path. Regular attendance and enthusiasm is expected.

Information Sessions: After candidates have completed the interest form, they will be invited to attend an information session.

*Don't miss this chance to put
fuel and horsepower in your life!*

***Get more info: scan the QR code and fill out the form.**

*If you wish to connect with a program coordinator first, please email:
info@impact60.org. If a prospective participant lacks access to the
internet and/or computer resources, please call or text 614-314-4907
