

PERFORMANCE TECH ADVANCEMENT PROGRAM

T.A.P. INTO YOUR FULL POTENTIAL

Automotive Industry!

CAREER OPPORTUNITY

Who can participate? Individuals 18+ motivated to learn the basic skills of an automotive maintenance technician. If you're under 18, special permission may be granted to be in the program.

Where is the auto lab? Fairfield Career, 3985 Coonpath Road Northwest, Carroll, OH 43112

When is the training? 5:30p-7:30p Mondays & Wednesdays *Mar. 21 to May 25
(*additional hours in the dealership and community engagement TBA)

Cost: TAP is offered at no charge to individuals who have the interest and commitment to gain basic technician skills. We are offering this opportunity to those seeking eventual employment in an exciting multidisciplinary industry. Regular lecture & lab attendance and enthusiasm is expected.

Information Sessions: After candidates have completed the interest form, they will be invited to attend an information session on Wednesday, March 9th at 5:30.

Don't miss this chance to put horsepower in your life!

****Scan the QR code and fill out the interest form!***

*If you wish to connect with a program coordinator first, please email:
info@impact60.org. If a prospective participant lacks access to the
internet and/or computer resources, please call or text 614-314-4907
